- > Structural modifications

design

- > Commercial kitchen
- > New toilet and shower facilities

construction

- > Decorating
- > Partitioning
- > Specialist flooring
- > Suspended ceilings
- > Voice and data Installation
- > Wall finishes

client comment

"Space-pod did a fantastic job - squeezing a quart into a pint pot on a limited budget to a tight time scale. We were also particularly pleased that they were able to assist us in securing the leasing we required to finance the project".
