HMV

project

Head Office space productivity

### background

HMV occupied head office space at Film House, Wardour Street and Princess House Eastcastle Street.

They had a specific requirement to update their space completely and consolidate into a smaller area releasing redundant space back to the market.

### scope

- > Full design package with space efficient interiors that reflected their branding
- > New furniture
- > New front of house client and break out areas.

### services

- > CDM, health & safety duties
- > Management of Client's direct contractor's
- > Office Relocation / Churn
- > Project Management
- > Space Planning & Design Consultancy
- > Managed IT moves

### design

- > Break out & tea point facilities
- > Comms room design and installation
- > New toilet and shower facilities
- > Front of house client suites

### client comment

"We chose Space-pod for their ability to deliver a complex project within an occupied space".
