

Spacecraft Commercial Interiors Ltd	Issue: 4
Health, Safety and Welfare Policy	May 2019

Health, Safety & Welfare Policy

All the work and activities of Spacecraft Commercial Interiors Ltd will be carried out in accordance with the relevant statutory provisions and in line with BS OHSAS 18001 Occupational Health and Safety Standard. We will take all reasonably practicable measures will be taken to avoid risk of illness or injury to our employees, sub contracted personnel, clients or other visitors attending space-pod work sites.

Our management have the responsibility for implementing this policy throughout the company and they will ensure that Health and Safety implications are always given priority in planning, training and the day-to-day supervision and undertaking of the work activities.

Our employees and sub-contractors are required to co-operate with the management in respect of carrying out their work in line with the Occupational Health and Safety Management System and must ensure that their own work and activities will as far as is reasonably practicable be carried out without risk to themselves or others.

Mr. K Parker Managing Director is the person with overall responsibility for the management of Occupational Health and Safety, including the setting and reviewing of company objectives and targets. Other staff roles and responsibilities are laid out in detail in the Occupational Health and Safety Manual.

Any comments and concerns about occupational health and safety are welcomed as part of the company's commitment to continual improvement.

The operation and monitoring of this policy will be implemented by our management and staff with all aspects of the Occupational Health and safety Management System audited to verify its compliance.

To assist in ensuring good practice we will from time to time use the services of an Occupational Health and Safety Advisor to visit workplaces and sites and to give advice on any relevant statutory provisions or general safety matters.

This Policy will be displayed prominently at all of our sites and offices, we hope that you will join us on the journey to fulfilling our commitment of safe and secure places of work.

Kevin Parker
Managing Director
